

# Bone Voyage Boarding Checklist

- ❑ My dog is up to date on the following vaccines...
  - **Bordetella** within 6 months
  - **Fecal** within 6 months
  - **Distemper-Parvo** (1 or 3 years)
  - **Rabies** (1 or 3 years)
- ❑ If I am bringing food from home, it is packed in an airtight plastic container and labeled with my dog's name and feeding amounts.
- ❑ I know Bone Voyage does not accept bedding from home and I have reserved a cot (additional \$2.00 per day charge) or requested a towel to be put down on my dog's behalf.
- ❑ If I am bringing toys from home they are safe for my dog to play with unsupervised. I am okay with the possibility that my dog may tear up these toys. I am aware that rawhides and plush toys with a squeaker inside may be a choking hazard.
- ❑ I have labeled all toys, food, medications and other items my pet is bringing with his/her name.
- ❑ I have treated my pet for fleas and to the best of my knowledge he/she is flea-free. I understand that my pet will need a bath if fleas are found at check in and I will be charged for a bath.
- ❑ I have provided emergency contact numbers for when I am away.
- ❑ I have left my \$50 deposit to hold my space for all summer and holiday bookings. I understand this deposit is non-refundable, but if I give a 48-hour notice of canceling before my dog is due to be dropped off, then my deposit will be on file for future services.
